The MRD Manager on Duty (MOD) will make announcements to clear the court at the end of your scheduled time so that the next group can begin. Clear the court when your time ends.

This is a trial schedule that *may* be adjusted, if needed, once we see how many players in each division are actually playing indoors.

The 3.0/beginners play at 9 am on Tues, Wed, and Thur since they are the smallest group according to our survey. Their current court usage has been 3 courts.

Please be courteous to other gym users, MRD staff, and your fellow pickleball players as we make the transition indoors.
